

June 2019

Hello!

I hope you had an amazing school year! You are ready for a much deserved break. During this summer vacation you will have two months to complete the following:

ELA:

- Students will read, Tuck Everlasting (provided)
- Students will complete an extended response about the novel (please complete the planning page and follow the prompts)

All assignments will be due on the first day of school. The ELA extended response will count as two test grades.

I hope you have a restful and enjoyable summer!

See you in September!

-Your ELA teacher 😊

Extended Response

Planning Page

This page is used as your brainstorm page. IT WILL NOT BE GRADED!

You can create a Venn Diagram , T – Chart, a web diagram or simply write down bullet point facts that you would like to include in your extended response!

Extended Response

Part Of the Question:

Restate each bullet point and answer in a complete sentence.

Each paragraph is to be 6-8 sentences

Example: What is the theme of Harry Potter?

The theme of Harry Potter is that good always triumphs evil. For example, Harry Potter's main character traits are being determined and respectful; good overcomes evil when Harry Potter defeats the evil, Lord Voldemort.

****Please do not write the following in your response:**

- "I"
- This response is going to be about...
- Now you are going to learn about...
- This paragraph will be about...
- I think....

Extended Response

Who is the main character in the novel? What character traits do they possess and are they a protagonist or an antagonist? What is the overall theme of the novel?

(Each paragraph will be completed in RAFFT)

In your essay be sure to include:

(introduction: What novel did you read, author, fun facts)

- Identify the main character (Body Paragraph 1)
- What is the theme of the novel? (Body Paragraph 2)
- Connect: text to text- (Does this novel remind you of another novel you've read? How? If not, why?) (Body Paragraph 3)

(Conclusion- wrap it up)

/

**** Be sure to include details to support your answer****
