

Section 1- Introduction

Welcoming students Nursery age through Grade Eight, our academic program offers religion, math, science, social studies and language arts, and is wonderfully supplemented with a palette of “special” courses in art, music, Spanish, health, physical education, library orientation, and computer skills. We follow New York State Core Curriculum guidelines, and strive to meet or exceed all New York State learning standards.

Students needing additional support in Math and Reading may receive individual attention in our Resource Room five days a week with a SETSS provider. Title I services are available for eligible students in an afterschool program. Students conduct experiments in a state-of-the-art science lab, and our Physical Education program includes an outdoor play area, newly paved and painted schoolyard, indoor gym, and fitness room.

We place a premium on training our students in the latest technology. SMARTboards or eTouch Boards are used in all of our classrooms, and our entire campus is wireless. Students become proficient using a variety of software programs and Apps in our state-of-the-art Computer Lab. Tablets are available, as well as our Google Chromebook 1:1 Program. We are a Google School.

Section 2- Grade Level Organization

Early Childhood (Grades N-K)

Our Early Childhood program focuses on learning through play, in order to meet the physical, intellectual, linguistic, emotional and social needs of the children. We believe children learn more efficiently and gain more knowledge through activities such as dramatic play, art, and social games. Education for young students can help them excel academically and socially. The tools they learn to use during these beginning years will provide lifelong benefits to their success. Besides Religion, and their other academic subjects, students also attend classes for Art, Music, Physical Education, and Library Studies.

Primary (Grades 1-3)

Our Primary Education program places students in self-contained classrooms with one teacher. In these grades, the focus is on basic academic learning and socialization skills, introducing children to the broad range of knowledge, skills and behavioral adjustments they need to succeed in Middle and Junior High school. Besides Religion and their other academic subjects, students also attend classes for Art, Music, Physical Education, Foreign Language and Library Studies.

Middle School (Grades 4-5)

Students in our Middle School Program are no longer in self-contained classrooms. Students are given more independence, moving to different classrooms for different subjects with three different teachers who collaborate as a unified team, in conjunction with the special-content area teachers. Besides Religion and their other academic subjects, students also attend classes for Art, Music, Physical Education, Foreign Language and Technology.

Junior High School (Grades 6-8)

Our Junior High School program was created to “bridge the gap” between elementary school and high school for our students. This program centers around helping students become more independent by exposing them to a team of teachers who work collaboratively to the benefit of the students. Our JHS program combines cognitive and affective development which assists students with emotional and personality formation as well. Selecting and applying for both Public and Catholic High Schools is a very important part of the 7th

and 8th Grade experience. Besides Religion and their other academic subjects, students also attend classes for Art, Music, Physical Education, and Technology. Foreign Language becomes more of an academic subject rather than a special-content class, to help students meet the rigor of High School foreign language classes.

Section 3- School Overview

3.1 Brief History of the School

St Gregory the Great Catholic Academy, located in Bellerose, NY, is a Catholic elementary school. The school was founded in 1953 under the supervision of Father Daniel J. Holloran with the Sisters of the Blessed Virgin Mary of Dubuque, Iowa, serving as faculty. Later, the Ursuline Sisters and Dominican Nuns from Amityville shared their presence with the lay faculty of the school at different times.

At St. Gregory the Great Catholic Academy, the pastoral staff administration, faculty, and parents realize that our mission is to strive to maintain a vibrant academic and social environment within a Christian faith -filled atmosphere.

As an institution of Catholic education, St. Gregory's embraces the teaching of Jesus Christ through a daily commitment to spirituality and academics. We strive to provide an environment that fosters strong faith in God, Christian values, and the love of learning. Our goal for each student encompasses the personal peace and fulfillment that result from an intimate and ongoing relationship with God along with, academic achievement of state and diocesan standards

Our elementary education curriculum centers on Catholic principles within a God-centered, faith-filled learning environment. We follow New York State curriculum and strive to meet or exceed all New York State Learning Standards.

3.2 Mission statement

3.3 Vision Statement

A St. Gregory the Great student is creative and has fully realized their potential. They use their knowledge, strengths, and talents to give back to their community, and be useful global citizens

St. Gregory the Great Catholic Academy is a Community Where Great Things Happen...

To Create – Fostering inherent curiosity through critical thinking, the arts, and technology

To Grow – Nurturing and strengthening young minds and bodies to lay a foundation for life-long learning

To Serve – Actively committing ourselves to our school, parish, community, and beyond

3.4 Parental Expectation of Adherence to School Policy

Discipline in the schools should reflect the spirit of *Vatican Council II*, as expressed in *the documents on Christian Education and Religious Liberty*. Therefore, discipline should be geared to assist a child develop in the understanding of self as being made in the image of God.

*...Education is integral to the mission of the Church to proclaim the Good News. First and foremost every Catholic educational institution is a place to encounter the living God who in Jesus Christ reveals his transforming love and truth (cf. *Spe Salve*, 4). This relationship elicits a desire to grow in the knowledge and understanding of Christ and his teaching. In this way those who meet him are drawn by the very power of God to lead a new life characterized by all that is beautiful, good, and true; a life of Christian witness nurtured and strengthened within the community of our Lord's disciples, the*

Church....Dear friends, I wish to conclude by focusing our attention specifically on the paramount importance of your own professionalism and witness within our Catholic universities and schools. First, let me thank you for your dedication and generosity. I know from my own days as a professor, and have heard from your Bishops and officials of the Congregation for Catholic Education, that the reputation of Catholic institutes of learning in this country is largely due to yourselves and your predecessors. Your selfless contributions – from outstanding research to the dedication of those working in inner-city schools – serve your country and the Church. For this I express my profound gratitude.

Address of His Holiness Benedict XVI to Catholic educators at the Catholic University of America, Washington, DC, April 17, 2008

Evidence of discipline exists in a school community when the students, teachers, administration, and parents/legal guardians work cooperatively to educate the whole child: spiritually, academically, socially, emotionally, and physically.

Section 4- Catholic Identity

The mission of Catholic Education is to form children in the knowledge and love of Jesus Christ as celebrated in the Catholic Church, while providing a comprehensive academic education that will help them reach their full human potential and contribute to the common good of our nation and the world. Ultimately, the mission of all Catholic education is to lead those entrusted to its care to find salvation in Jesus Christ.

In *Catholic Schools on the Threshold of the Third Millennium* (#11) Saint John Paul II wrote that Catholic schools are “...the privileged environment in which Christian education is carried out. Catholic schools are at once places of evangelization, of complete formation, of enculturation, of apprenticeship in a lively dialogue between young people of different religions and social backgrounds.”

Diocesan academies and schools strive to emulate the words of Saint John Paul II by:

- creating an evangelizing community, where people come to have a better and deeper understanding of Christ and His Church
- recognizing the importance of multi-cultural, multi-faceted, academically sound educational programs that meet the needs of the poor and the rich, the Catholic and the non-Catholic, the wise and the not so learned
- welcoming members to the school community regardless of culture, race, or religion and celebrating the diversity that exists within our communities, churches, and schools
- creating an environment that encourages young people to grow, not separated from others, but as part of a larger community, as part of the family of God
- not only promoting and encouraging academically sound individuals, but rejoicing with children who are spiritually, theologically, and liturgically enlivened and fulfilled

Section 5- Student Behavior

5.1 Conduct

Any behavior, which is viewed by the academy administration as detrimental to the educational process, to the safety of other persons, or to the reputation of St. Gregory the Great Catholic Academy, could be considered grounds for serious disciplinary action and may result in suspension or expulsion. The principal is the final recourse in all disciplinary situations and may waive any and all regulations for just cause at her discretion.

Every student has a right to be in a calm learning atmosphere and feel safe, secure, and happy in school. Students will come into the building quietly and continue in good order on the stairs and in the halls. Once the hand bell has been rung in the hall all students are expected to be silent. Failure to adhere to the above rules will result in detention. Please be advised that St. Gregory the Great adheres to a "zero tolerance" policy for violence of any kind. **Any** harmful physical contact or hurtful verbal abuse (including written offenses) will not be tolerated. Bullying, which means hurting another person repeatedly, either physically or through verbal threats, insults, and embarrassment or by systematically ignoring another person will not be tolerated. Students should report a bullying situation to the classroom teacher so that students exhibiting demeaning behaviors receive immediate correction. The use of any electronic devices during school hours to text, cheat on a test or assignment, or otherwise communicate with others will be grounds for suspension. Cheating on tests, forging a signature, etc. are serious violations. A repeated serious infraction could result in suspension from school. Suspension will be given at the discretion of the teacher and principal. Parents must meet with the principal before a student can be reinstated in school. As a last resort after other means of motivation and correction have failed, a student may be expelled. If a student brings a razor, box cutter, knife or sharp instrument to school s/he will be subject to expulsion.

For students in Grades 4 - 8, demerits will be issued for infractions of Academy rules. Three demerits (3) will equal an after-school detention on Mondays from 3:15-4:15pm. Demerits may keep a student from a class trip, or other academy events. Failure to attend an assigned detention will result in three detentions.

5.2 School Rules Regarding Technology and Media

COMPUTER, CHROMEBOOK, & INTERNET ACCEPTABLE USE POLICY (excerpt -- full policy will be distributed separately).

We have a filter system in place which blocks out inappropriate websites (chat rooms, adult websites, etc.). The filter system is not 100% accurate. Students should not access material that is unchristian. It is expected that the individual uses the Internet in an appropriate manner. A parent's permission form is required for all students to access the Internet. This provides the understanding between the parents, students and Academy about what is acceptable. Parents are responsible for discussing and reinforcing the guidelines for safe use of the academy's system with their child.

If a student irresponsibly uses the Internet, she/he will not be permitted to use any Academy computers or other devices, and additional disciplinary measures may be taken due to the nature of the violation.

5.3 Diocesan Anti-Bullying Policy

The school communities within the Brooklyn Diocese believe in the sanctity of human life and the inherent dignity of the human person. We believe that all students, school employees and volunteers have a right to a safe and healthy school environment. All members of the school community, in turn, have an obligation to promote mutual respect, tolerance and acceptance. Research shows that students who learn in a safe and supportive environment succeed academically. Students have a right to learn in an environment free of any harassment that substantially interferes with their education.

Bullying, bias-based harassment/intimidation are intentional, repeated, hurtful acts (physical, verbal, written) committed by one or more persons towards another person or persons. It usually involves an actual or perceived imbalance of power which can be physical, emotional or verbal. If not addressed, bullying can lead to the creation of a hostile, offensive or intimidating school environment and can affect a student's educational opportunities. The behaviors include but are not limited to:

- *Physical:* physical violence, stalking, threats, aggressive or menacing gestures, exclusion from peer groups which is intended to humiliate or isolate the target (relational bullying).
- *Verbal:* taunts, teasing, derogatory language, derogatory jokes, name calling, slurs, spreading rumors
- *Written:* written or graphic material including graffiti containing comments or stereotypes that are electronically written and transmitted via internet, social messaging sites, blogs, instant messaging, text messages, cell phone, webcams. This would also include forwarding such messages if received. This generally constitutes cyber-bullying.

Reporting Procedures:

- The targeted student, parent/guardian of a student or other students in the school (bystanders), or any school staff who believe that bullying has occurred should report the incident to the principal.
- The principal needs to conduct an investigation by interviewing all parties separately.
- The parents of all involved students should be notified.
- If it is determined that bullying has occurred the child who bullied is to be subject to consequences per the school's disciplinary code.
- Parents should be advised to contact the appropriate law enforcement agency if the situation warrants such a report.
- Referral to counseling should be made for all parties if deemed necessary.
- The principal must follow up to see that the offending conduct has stopped.
- All students should be notified that retaliation against anyone who makes a report will not be tolerated and those that retaliate will be subject to disciplinary actions.

5.4 Diocesan Cyber Bullying Policy

In accordance with New York State Law on Cyber-Bullying, inappropriate, defamatory, or content found to be injurious to an academy or parish school community member may result in disciplinary action, even if done outside of academy/parish school premises or using devices not owned or controlled by the academy/parish school. All instances of such behavior must be reported immediately to the administration, who will investigate the matter and enforce the consequences deemed appropriate.

Violation of this policy in whole or in part may result in any or all of the following and will be issued at the discretion of the academy or parish school principal:

- Loss of use/privileges of school/academy technology.
- Disciplinary action including, but not limited to, detention, suspension, expulsion, and /or legal action by the school/academy, civil authorities, and/or other involved parties.
- Compensation for damages, both physical and punitive, incurred due to actions in violation of this policy

5.5 Diocesan Acceptable Use Policy

The use of technology is permitted on school premises under limited conditions as authorized by the Principal for the sole purpose of enhancing academic achievement while respecting the dignity and safety of all members of the St. Gregory the Great Catholic Academy community.

In using the information and technology in safe, legal, and responsible ways, the following conditions of being a digital citizen within the Diocese of Brooklyn are expected:

Although there are safeguards in place to protect all users from inappropriate content, we are not responsible for failures in filtering that result in a bypass of our program and/or access to objectionable content. If any inappropriate content bypasses these safeguards, any parties involved should turn off the monitor and report the security breach immediately to a system administrator, teacher or the principal. Additionally, member of the school/academy community shall not:

- Use another's credentials for any reason
- Gain or attempt to gain unauthorized access to Diocesan or school/academy computers or computer systems.
- Download or install any software application without prior authorization.

Administrative Rights (To monitor use of technology)

The school/academy reserves the right to monitor both student and employee use of technology and computer accessed content. Due to the evolving nature of technology, the Catholic Schools and Academies of the Roman Catholic Diocese of Brooklyn reserve the right to amend or add to this policy at any time without notice.

Personal use of Social Media (Teachers, Students)

This section refers to the personal use of social media. This includes, but is not limited to Facebook, Twitter, YouTube, Tumblr, Instagram, Google+, LinkedIn, Snapchat or any other such medium. All references to school/academy personnel, students and/or any member of the school/academy community in technology related mediums such as web pages or email which is deemed to be conduct injurious to the moral tone of the school or academy are violations of this policy. Any communication with current students by faculty, staff or administration is strictly forbidden on any personal social networking site. Personal posts must use appropriately respectful speech, and refrain from harassing, defamatory, abusive, discriminatory, threatening or other inappropriate communications.

Representation of the school/academy in whole or part on any personal posts and/or communication is prohibited.

Section 6- General Procedural Information

6.1 Dress Code

The Roman Catholic Diocese of Brooklyn believes that clothes do not define a person. The wearing of a uniform allows everyone to be seen for who they are, not by what they have. The purpose of a uniform is a means of consistency in student dress, while keeping costs to a minimum. It also reduces the problem of competitive dressing. Students, unless otherwise notified by Administration, will wear the school uniform.

All students are expected to keep themselves well-groomed and neatly dressed at all times. A clean and healthy appearance is important. Any form of dress or hair style which is considered by the Administrations to be contrary to good hygiene or which is distracting or disruptive in appearance and detrimental to the purpose or conduct of the school will not be permitted. 6.2 Attendance Policy

School is in session from 7:50 am to 3:00 pm. All children must be in the yard at their specified arrival time. Teachers are there to supervise the children. Children are to be near their line until the bell rings and then proceed in silence with their teacher to their classroom. **STUDENTS WHO ARRIVE AFTER THEIR CLASS HAS LEFT THE YARD, ARE CONSIDERED LATE.** Any student arriving after the yard completely empties at 8:20 a.m. must be brought to the main entrance of the school and enter through the school office. Except for bus problems, all lateness is recorded on the child's report card and permanent record card. **Children in grades 4-8 will serve detention for every 3 times they are late. For children in grades K-3, a parent must come in and sign their child into the late book.** A lateness policy is in place for all students, and if lateness becomes a chronic issue, a conference with parents, teacher, principal and in some cases the student, will be held in order to determine the cause of the lateness and arrive at a possible solution to the problem. In some cases, it may be necessary to take disciplinary action if the problem persists. Lateness without just cause will keep a student from the Honor Roll.

A student who is absent must bring a note from his/her parent or guardian stating the date and reason for absence. This note is due on the day of his/her return to school. Legal absences involve those caused by illness, death in the family, impassable roads, quarantine, religious observance, court attendance and remedial health care. All other absences are illegal. A written note is to be given to the official teacher notifying if a child is leaving school early. Parents must notify the academy office if the child has a contagious disease, e.g., chicken pox. If a student becomes ill during the school day, and leaves school early, they may not return for any after school or evening activities or events.

St. Gregory the Great Catholic Academy has developed our attendance policy in accordance with New York State Education Law Section 3205 to be implemented as of July 1, 2020. This comprehensive attendance policy will help to uphold the philosophy and mission statement of our school/academy, as stated in our handbook.

Education Law of the State of New York mandates school attendance for all children between the ages of 6 and 16, but the responsibility for compliance rests with the parents/legal guardians. The school is required to keep an accurate record of daily attendance, absence and tardiness in the register of attendance in a manner approved by the Commissioner of Education.

- When a child has been absent, a written excuse is required from his or her parents/legal guardians. If a student is absent without an excuse, or if the school has reason to suspect the validity of the excuse, the principal will investigate the situation.
- When a student has been absent for five days without a satisfactory explanation, a report will be made to the attendance officer of the local public-school district.
- Continuing illegal absences, totaling five or more days, will also be reported to the attendance officer at the local public-school district office.
- Although each case is different, it should be noted that at 40 truancy days, retention is a strong possibility and principals will contact the local district office to alert the truancy officer.

6.2a Lateness

A student who arrives after the time set by the academy or the parish school for the beginning of the day will be marked late.

6.4 Releasing of Students

Students are expected to be in attendance for the complete session each school day. If for any reason a student must leave the academy or parish school before the regular dismissal hour, a parent/legal guardian or a person authorized by the parent/legal guardian must come to the academy or parish school office to pick the student up and escort the student out of the building. Parents/ legal guardians must provide authorization for their child to be released to an individual other than a parent/ legal guardian.

6.4a Custody, Guardianship Orders

Parents must provide accurate custodial information to be kept on file at the academy or parish school. Non-custodial parents do have rights. The law protects non-custodial parents and maintains that parents do not cease to be parents when they no longer have custody of their children. The Diocese of Brooklyn abides by the provisions of the Buckley Amendment with respect to the rights of non-custodial parents. In the absence of a court order to the contrary, a school or parish academy will provide the non-custodial parents with access to academic records and other school information regarding his or her child. *If there is a court order specifying that there is to be no information given, it is the custodial parent's responsibility to provide the school with a court certified copy of the court order.*

6.5 Field Trips

Written permission must be obtained from parents/legal guardians of students who wish to go on scheduled trips. Information to the parents/legal guardians will include the date, purpose and destination of the trip, the expense, the means of transportation, and probable time of return.

Adults who wish to chaperone must complete Virtus training and background checks prior to accompanying students. Please see section 9.4 for further information about this process.

6.6 Birthday Policy

Due to COVID-19, students may not bring food into the classroom to be shared with other students. To promote health and safety, students should consume only the foods that they have brought to school or have been provided by the school. This policy will be updated as COVID restrictions are modified

Invitations and thank-you cards are not permitted to be handed out for parties while school is in session unless ALL students within the class are included.

6.7 Lost and Found

Please inquire in the main school office for lost items

6.8 Responsibility for Valuables

The academies and parish schools within the Diocese of Brooklyn are not responsible for valuables that are lost or damaged. It is strongly advised that students do not bring valuables into the school building including electronic devices such as tablets, phones, etc.

Section 7- Transportation

7.1 Bus procedures

While students are being transported to and from their academy/ parish school, it is expected that they will uphold the behavior expectations of the academy/ parish school as well as rules set forth by the bus driver or bus company. Students who continuously disregard bus procedures and rules are at risk of losing their access to bus transportation.

Each bus company must hold an evacuation drill at least once a year. Students are expected to follow all instructions as given by the bus driver or other adult facilitating the drill.

7.2 Use of Other Vehicles

Only a licensed public carrier that is fully insured should be used to transport students. Teachers or administrators should not transport students in their personal vehicles.

Parents/ legal guardians must provide authorization for their child to be transported by someone else. This includes transportation for dismissal as well as extracurricular activities.

Section 8- Student Records

8.1 Change of Address/Phone Number

For student safety, it is imperative that parents/ legal guardians alert the academy or parish school to any changes in address or phone number. Parents/ legal guardians must also provide the academy or parish school with an adequate number of emergency contacts (with up to date information).

8.2 Educational Records Requests

In the event of a student transferring to a different academy, parish school, or public school, the school will provide student records to the school of transfer. Requests can be made in writing by the parent/ legal guardian or by the school that the student will be transferring to. The school office is responsible for sending student records directly to the school of transfer. If records are not provided in a timely fashion, parents or legal guardians may contact the Office of the Superintendent to receive further assistance in this matter.

8.3 Authorization to Release Records

Academies and parish schools may not release the records of students without the written consent of the parents/legal guardians to any individual, agency or organization other than the following:

- Other academy or parish school officials who have legitimate educational interests.
- Officials of other academies or parish schools in which the student intends to enroll.
- Officials of the courts with lawfully issued judicial process, i.e., subpoena, court order, etc.
- Please note health records are the property of the Department of Health.

8.4 Review of a Child's Official Records

Parents/legal guardians have the right to inspect any and all material which is part of their child's permanent record. Academies and parish schools require parents/legal guardians to provide a written request prior to when they wish to examine their child's permanent record. At the time of inspection, the academy or parish school administrator, or qualified delegate, will be present.

Section 9- Health and Nutrition

9.1 Medical Requirements

The New York City Department of Health requires that all new students entering nursery through grade 12 show proof of having received a complete medical evaluation. Children who transfer from one school to another in New York City are not considered new students. These requirements may change from year to year.

New York State Law states that all students in Grades Nursery through 12 must be immunized as directed by the New York State and New York City Departments of Health. New students may enter school provisionally with documentation of **an initial series of immunizations**. Once admitted provisionally, a student has a certain amount of time to continue and complete the medical requirements. Students who fail to complete the necessary requirements within the appropriate time frame **must be excluded from school**. Parents must provide records of immunization to be kept on file at the Academy or parish school. Any exemptions to the immunization requirements must be approved by the Academy or parish school with documentation being kept in the student's health records. Only medical exemptions are permitted per New York State Law. Religious exemptions are no longer permissible.

- For nursery, pre-k, and UPK Programs--Between July 1 and December 31 of each year, all children between the ages of 6 months and 59 months and attending a group child care or school-based child care program must receive one dose of influenza vaccine.

9.2 Administering Medications at School

School nurses may administer over-the-counter-prescription drugs to students with written consent and medical authorization from a parent or legal guardian. School nurses may administer prescription medication that has been prescribed by a physician but must be provided with

- Medical authorization from the parent or legal guardian consenting to administering the medication
- A medical plan developed by the child's parents and health care provider detailing the proper administration of the medication, details regarding the child's medical concerns, and other pertinent details.

9.2a Administering Epinephrine

Parents or guardians will supply their own epinephrine auto-injector and must provide written consent and medical authorization for its use. The academy or parish school must have an up-to-date medical statement on file for each child in care. For a child with identified allergies or with special health care needs, the academy or parish school must have a copy of an individual health care plan developed by the child's parents and health care provider. Parents must make program staff aware of the individual health care plan on their child's first day at the program.

It is the responsibility of the parent/guardian of the student who is at risk of anaphylaxis:

- to notify the school that the child/student is at risk of anaphylaxis and is in need of the presence of epinephrine on school premises
- to indicate to the school if the child/student is capable of self-administration of the epinephrine device
- to supply the school with the epinephrine device* in its original packaging as received from the pharmacist
- to replace the epinephrine device when it expires, discolors or has been used

*It is recommended that two epinephrine devices be supplied, the second functioning as a back-up in case of malfunction or if an extra dose is necessary in accordance with medical documentation.

9.2b Administering Epinephrine on Field Trips

In the event of a school trip or school event conducted outside of the school premises, it is the responsibility of the parent (or a designated person who appears on the child's emergency contact list) to attend with the child/student for the purpose of epinephrine administration, if necessary.

9.3 City & State Health Services

The Education Law of New York State mandates that students attending nonpublic schools receive the same health services provided to students attending public schools

9.4 Limitations of Physical Activities

The school office must be notified of a request to limit student's physical activities due to illness or injury. This request must be accompanied with documentation from a physician.

9.5 Breakfast/Lunch Program

St. Gregory the Great Catholic Academy does not have a breakfast or lunch program

9.6 Wellness Policy (*For COVID -19 policies see section 16*)

Students need to stay home if:

1. A fever of 100.00 degrees Fahrenheit or greater
2. Vomiting within the past 24 hours
3. Diarrhea within the past 24 hours
4. A body rash with itching or fever
5. Itchy head or active head lice
6. Eye infection with itching, redness and/or pus draining from the eye
7. Hospital stay or emergency room visit

Students are ready to return to school when:

1. Fever free without the assistance of medication for 24 hours (ie: Tylenol, Motrin or Advil)
2. Free from vomiting for 24 hours
3. Free from diarrhea for 24 hours
4. Free from rash, itching or fever – student has been evaluated by a doctor
5. Treated with appropriate lice treatment at home
6. Free from drainage – student has been evaluated by a doctor
7. Released by my medical provider to return to school

If your child has Strep or a bacterial infection, he/she should stay home until the antibiotic has been given for at least 24 hours and a health care provider has given permission for your child to return to school

Section 10 Parental Obligations

10.1 Parental Involvement

Home is the first place where a child learns love and respect for God and neighbor. Parents/legal guardians, in choosing a Catholic school to continue the education begun at home; have responsibilities as well as opportunities to share in the continuance of their children's education.

Parental involvement consists of parents/legal guardians and staff meeting together because of common interest in the child. It is expressed in many ways such as sharing in student supervision in the lunchroom or playground or serving as library or teacher aide. In some instances, parents/legal guardians may be asked to assist in advocacy in all areas that would benefit the schools, including programs that request government assistance, in consultation with the Office of the Superintendent. The involvement of the total family is also a means of communicating the academy's and parish school's performance to the total parish community. Parental support for the education of their children is of the utmost importance. Parents and legal guardians are also expected to uphold the behavioral expectations set forth for students and staff within the academy or parish school community. Failure of parents to act in a manner compatible with the values of the academy or parish school may result in student dismissal.

10.2 Fundraising

During the school year, the Academy will conduct several fundraisers. Some of these, such as the annual Festival and candy sale are mandatory, while others are at your discretion. Information about each fundraiser will be shared with parents, and all requirements will be explained.

10.3 Parent/Teacher - Home Academy Association (HAA)

Every academy or parish school is encouraged to establish a Home School Association. Its purpose is the educational enrichment of parents/legal guardians and teachers. The goal of the Home School Association is to foster a clearer understanding of the mutual responsibilities of parents/legal guardians and teachers regarding the education of the students.

An added responsibility of the Home School Association will be to assist in the fundraising efforts of the academy or parish school. In the school, this is done in coordination with the administration. In an academy, it is done in coordination with the board of directors of the academy. No organization may hold title to accounts nor have access to funds raised for the academy or parish school. All financial transactions must be approved by the pastor/academy board of directors.

10.4 Volunteering, Chaperoning & Virtus Training

Parent volunteers and chaperones are an integral part of the school community. All parents/ legal guardians/ other adults, must complete VIRTUS training, sign a Code of Conduct, and complete a background check.

- The VIRTUS program for adults is a three-hour live awareness session that instructs adults of the Church that to protect children you must have continuous awareness and vigilance. This awareness session helps trainees understand signs of child sexual abuse, the methods and means by which offenders commit abuse, and five empowerment steps to prevent child sexual abuse.
- The Code of Conduct is a document that acknowledges the importance of legal, professional and responsible conduct of all who work with children and young people. All clergy, employees and volunteers are required to read the Code of Conduct and to sign a Statement of Acknowledgement Form. The Code of Conduct is distributed at all VIRTUS sessions.
- All employees and volunteers are also required to have a criminal background screening completed before they start their employment or service. These forms are also distributed at all VIRTUS sessions. As of May 2010, all background screenings (employees and volunteers) will be done through the Safe Environment Office. The searches are done through LexisNexis (volunteers) or HireRight (employees). All information is kept confidential and if a positive result is returned, the pastor/administrator will be notified, and appropriate steps will be taken. Background searches will be rerun every 3 years for employees and 5 years for volunteers

Section 11- Safety

11.1 Emergency Drills

Per New York State laws, academies and parish schools are required to conduct twelve emergency drills over the course of the school year. Four of these drills must be lockdown drills. Students are expected to follow all directives provided to them by school teachers and staff. Failure to comply or act appropriately during emergency drills will result in disciplinary action.

11.2 School Closings

The Diocese of Brooklyn will base their closings on the New York City Public School System. If the New York City school system closes due to inclement weather, the schools within the Diocese of Brooklyn are closed. Local academies and parish schools may also make decisions to close their individual schools based on inclement weather or other hazardous conditions (infrastructure issues, flooding, property damage, etc.). Parents will be notified as soon as possible. In the event of a closure during the school day, proper provisions will be made for students to return home or to be cared for in other premises until usual dismissal time.

11.3 Procedures for Visitors

All visitors must be admitted to the building by school staff. Visitors should proceed to the main office to sign in and receive a visitor designation (lanyard, sticker, etc.) if available. Visitors to the school are asked to remain in the office until they have confirmed their destination within the school. For the safety of staff and students, visitors should not walk about the school but should travel to their intended destination within the school. Prior to leaving the school, visitors should return to the main office, sign out, and leave through the main doors. Visitors should not exit through side doors to ensure that building security is maintained.

During COVID-19, we ask all parents and legal guardians to visit the academy or parish school only when necessary as well as to keep any visits as brief as possible.

11.4 Video Surveillance Cameras

Academies and parish schools within the Diocese of Brooklyn are authorized to use video camera surveillance on academy/ parish school property to monitor the health, welfare, and safety of all staff, students, and visitors to the property, and to safeguard facilities and equipment. Video cameras may be placed in locations as deemed appropriate by the designated school administrators.

Violations of Diocesan policies, administrative regulations, building rules, or laws that images, video and audio capture through surveillance may be used as evidence that may subject students, staff, and visitors to appropriate disciplinary and legal action, including, but not limited to, disclosure to law enforcement.

Data from video surveillance is typically retained for a year. Data related to a known incident which involves injury to students, staff or members of the public or property, or which involves any potential violation of the law or Diocesan policies will be kept with reports of the incident until the incident has been appropriately resolved.

Section 12 Instruction

12.1 Grading Policy

Terra Nova, and New York State Exams are mandatory for all students in the appropriate grade levels. St. Gregory the Great Catholic Academy does not allow students to “opt out” of these exams.

An explanation of the marking code is given on the Report Card. In general, it can be summarized as follows:

A+ = 97-100

A = 93-96

B+ = 89-92

B = 85-88

C+ = 81-84

C = 77-80

D+ = 74-76

D = 70-73

F = Below 70 is a failing grade

Principal's List	No grade lower than 95
First Honors	No grade lower than 90
Second Honors	No grade lower than 85
Recognition	Excellent Effort and Work Habits

12.2 Homework Policy

Homework is given four (4) nights a week and at the teacher's discretion on weekends. Homework may not be done in school. Parents should check student assignments each night. Frequently, the teachers will use the student planner, Google classroom, or other digital platforms as a means of communication to the parent. Homework assignments may be posted on the website or Google Classroom. The information on the web site is not failsafe. The child is still responsible to copy his or her homework on a daily basis.

The heading on the homework should read as follows:

Name of Child	Date
Name of Academy	Grade

Acceptable assignments are neat and carefully completed. Parents should not correct the work or improve it in any way. Projects should be written or typed according to the directions given by the teacher using the student's own vocabulary. Plagiarism, either from a book or web-based source, is not acceptable. It is the responsibility of the parent to check notebooks and workbooks weekly.

Homework assignments, projects, equipment, and materials forgotten at home can NOT be brought to the office. Students must accept the consequences of not remembering materials

12.3 Protecting Instructional Time

Maintaining school schedule and structure is of the utmost importance during the school year. As academies and parish schools make their calendar and schedules, their goal is to protect instructional time as much as possible. In protecting instructional time, parents are asked to refrain from removing their child during the school day for unnecessary activities. Appointments should be scheduled, when possible, before or after the school day in order to avoid disrupting student learning. Vacations and family trips should also be planned, when possible, for existing school vacation weeks. In the event of a necessary absence, parents should alert the school and classroom teacher as soon as possible. If an extended absence is known, parents should communicate with their child's teacher to create a plan for making up missed work.

12.4 Reporting Student Progress

12.4a Progress Reports & Report Card Schedule

Parents/ legal guardians will receive report cards three times a year, at the end of each trimester. Parents/ legal guardians will also receive progress reports during each trimester prior to receiving the report cards. It is vital to a student's progress that an open communication exists between parents/ legal guardians and their child's teacher. Any concerns regarding a child's progress should be addressed first to the child's teacher.

12.4b Parent Teacher Conferences

Parents/ legal guardians will have the opportunity to attend parent teacher conferences at the end of the first and second trimester following receipt of student report cards. While these are formally scheduled conferences, parents are also encouraged to schedule meetings with teachers or other staff, when necessary, to discuss their child's progress and learning goals.

12.4c NYS Testing

Students in grades 4, 6, 7, and 8 will participate in New York State Testing. Parents receive an Individual Student Report (ISR) which includes a breakdown of a student's performance in different skill areas within ELA, Math and Science. This helps parents understand where their child is doing well and in what areas he or she may need additional practice. Parents can use these results to guide a discussion with their child's teacher about additional supports or challenges that may be needed in the classroom, as well as ways to support learning at home.

There are no negative consequences when taking state tests as the tests are considered diagnostic. The ELA and math test results are not recorded on student permanent record cards or report cards. New York State law forbids the use of state test results as the determining factor in promotion.

12.4d TerraNova Testing

Students in grades 3-8 will participate in TerraNova Testing in the fall. TerraNova testing is a nationally-normed, standardized testing program. This series of tests is issued to diagnose student performance and develop student learning goals.

Section 13-Internet Use

13.1 Option C

The Option C Parent Portal allows parents to be involved in their child's academic life on their schedule and more efficiently. Rather than writing a note to a teacher to see how their child is doing on assignments, they can access the portal and see it in real time. They can communicate with teachers directly through Option C removing the issues of lost or blocked email messages. It allows teachers to contact parents directly and keeps a record of the interaction should it be necessary. As grades are recorded for student work, they can be shared with parents, giving any time up-to-date progress reports.

Option C's Parent Alert System is a flexible notification system that lets its audiences - parents, principals, and school staff - communicate quickly and reliably. Academies and parish schools may also create alerts to send to parents regarding fund raisers, events, drills, community affairs, school closings and any information they would like to communicate quickly. Users can decide how they want to be reached, either by voice, text or email, or any combination. Parents should check their settings on Option C to ensure that all contact information is up to date and all options are set correctly.

13.2 Communications with Teachers

Students benefit tremendously when an open line of communication exists between families and teachers. It is recommended that parents/ legal guardians communicate any concerns regarding their child. Parents/ legal guardians as well as teachers should always use Option C, school communication platforms (I.e. Google classroom), or a note sent directly to the teacher/ family. If needed, the parent/ legal guardian or teacher can schedule a follow-up meeting to address any further issue. It is also recommended that a parent communicate with a teacher regarding their concerns prior to involving the administration. Initiating an open communication with the teacher first continues a positive relationship between families and teachers.

It is strongly advised that parents and teachers do not use personal social media accounts or personal cell phones (texting) as a means of communication in regard to school related concerns.

Section 14-Finances

14.1 School Tuition Policies

The success of our Academy relies on the commitment of our families to make Catholic education a financial priority. The Academy has full-year contractual and financial obligations that must be met, such as teacher salaries, utility bills, building maintenance and improvements, and other expenses. Families that seek enrollment are required to satisfy the annual tuition by specified due dates.

These policies are not intended to deprive anyone of a Catholic education. It is our desire to maintain a fair approach to collection of tuition and to provide a sound financial policy for the overall welfare of our families. We encourage all responsible parties to maintain open communication with the business office to ensure a complete understanding of each family's financial obligations. The goal of our academy is to provide a Catholic education to every student who desires one, but only by mutual cooperation can we make certain that this goal is met. Parental non-payment or delinquency in meeting financial obligations creates an additional burden for the Academy.

- Tuition contracts specifying a payment schedule will be published and shared with families. All families must sign an enrollment contract that guarantees the family will be responsible for the full payment of tuition for the academic year.
- Academies will arrange for all tuition and fees to be collected through FACTS Tuition Management.
- Tuition payment schedule will follow the most appropriate schedule for the academy and parents: monthly, one payment, or three installments.

- A Tuition Assistance Committee will be in place at every school/academy

14.2 Tuition and other fee schedules

The academy or parish school will collect tuition and fees over a ten-month period. This ten-month period will typically extend from June to March. Tuition collection will begin prior to the start of the school year.

Tuition and Fee Schedule for 2020-2021 School Year

New Student Registration: \$250

Existing Family Re-Registration: \$75 per family

Existing family registering a new student: \$150 per student

Supply Fee: Nursery-8: \$175 per student – **due with Registration fee**

Registration and Supply fees are NON-REFUNDABLE

Technology Usage Fee: Grades N-8: \$275 per student

While your child may already have, or will be receiving a Chromebook or Tablet, the Technology Fee is not a device fee. The fee supports the technology infrastructure that enables 1:1 computing and helps cover the cost of all apps, educational online subscriptions, the wireless infrastructure, Chromebook and Tablet licensing, Chromebook/Tablet management system, school-wide filtering and the support staff to maintain our school network.

Discounts:

One-time discount offered to families who pay in full prior to July 15, 2020 – \$150 for the first child; \$50 each additional child.

\$250 one-time credit offered to current families who refer another family to St. Greg’s.

(If you are new to St. Greg’s, please be sure to let us know if you were referred by a current family to ensure they receive this credit).

The Diocese has mandated that Academies implement the FACTS Tuition Management System for the 2020-21 academic year. Each registered family will receive an invitation to set up their FACTS account to make payments online using their bank account or credit/debit card.

Tuition Fees are due on the 15th of each month July through April
(10 monthly payments)

GRADES K-8 TUITION

1 child	2 children	3+ children
\$5,900	\$8,550	\$11,450

FULL DAY NURSERY AND PRE-K TUITION – \$6,600

Please note – Nursery/Pre-K rates are not included in the family discount plan. If you currently have one older child attending St. Gregory’s, you will receive a \$500 discount. If you currently have 2 or more older children attending St. Gregory’s, you will receive a \$1,000 discount.

Academies and parish schools reserve the right to place severely delinquent accounts in the hands of a collection agency or its attorneys for collection. It is not our desire that any family should incur unnecessary

legal fees or suffer further embarrassment or inconvenience in this regard. Again, we encourage prompt communication with the academy in an effort to avoid litigation.

In order to withdraw a student, the parent must submit written notice to the principal in advance of the withdraw date. This enables the academy to prepare necessary information and settle accounts. No student records will be forwarded to another academy or school until all accounts have been settled.

Following the terms of the enrollment contract, refunds will be made only in accordance with the stated guidelines and/or at the discretion of the administration. The refund must be requested prior to the start of the period for which payment would be made.

14.3 Resources for Tuition assistance

Catholic education is meant to be available to every Catholic family. Every family desiring a Catholic education for their child(ren) will participate to the extent capable in the cost of providing that education.

Each family in need of tuition assistance must complete a scholarship application through Futures in Education, which may currently be found at: www.futuresineducation.org/scholarships . The one exception is families returning to the Teddy Forstmann program coordinated by Children's Scholarship Fund. If the family requests additional assistance beyond the awarded amount, the request will be forwarded to the Tuition Assistance Committee. The review will be completed as early as possible.

14.4 Tuition Assistance Committee

The Tuition Assistance Committee is an essential advisory body to the pastor/board chair and principal. It has a two-fold purpose.

- The Committee will have the responsibility of direct involvement in the monitoring and collection of tuition arrears from the families of its respective school or academy.
- The Committee will be empowered to recommend when needed a partial deferment of tuition for families that have demonstrated true financial need or face unforeseen extraordinary circumstances. Such a deferment will establish a fair and just tuition rate that will allow students to remain enrolled when even scholarship assistance is not enough. This discernment must be guided by an approved process that is fair, transparent and reasonable. Any recommendation made by the Tuition Assistance Committee must be approved by the respective pastor of a parochial school and the Board of Directors for an academy.

Should there be a concern regarding the tuition assistance process or if an appeal for discernment is requested, parents/guardians should present their concerns in writing. In the case of a parish school, the letter should be addressed to the pastor of the parish. In the case of a Catholic academy, the letter should be addressed to the chairperson of the Board of Directors. The response from the pastor or chairperson would be final.

14.5 FACTS

FACTS is a tuition management company designed to make tuition collection simpler for families as well as academies and parish schools. There will be one FACTS record per family, and each student must be listed separately. This provides valuable detail about the charges and discounts each student is receiving. In turn, this provides the academy better reporting. A major benefit of FACTS is the ability to process automatic drafts of the payer's bank account or credit card. There is a 2.85% convenience fee on credit card transactions. FACTS does offer an invoicing option as well. With this option, FACTS will send an invoice to the payer (via email or postal mail) 20 calendar days prior to the payment due date. The payer must then initiate payment either by using a credit card or bank account online, over the phone, or by mailing a check directly to FACTS. Families are encouraged to pay via automatic draft. FACTS also allows for flexible payment options. Common options are monthly payments, three trimester payments, and a payment in full.

14.6 Tuition Delinquency

- By standard practice, FACTS will send payment reminders prior to any due date, returned payment notices in the case of a failed payment, and will make automated phone calls to delinquent payers. Payers who fail to communicate with the academy and resolve the delinquency through a payment schedule approved by the academy will result in suspension of services for the student.
- Students will not be permitted to attend class at the start of the trimester should any balance be past due.
- No student will be permitted to begin an academic year unless all registration and other required fees are current. Registration and other required fees are paid through FACTS Tuition Management at enrollment. Enrollment for students whose families are not current in the registration or other required fees by June 30 may be cancelled at the discretion of the academy. In no event will students be permitted to attend class at the commencement of the academic year unless the delinquency is paid in full.
- In order to participate in graduation activities, all debts for eighth grade students must be cleared by the first Monday of May. Eighth grade transcripts will not be released to the high schools if the financial obligations have not been met.
- All fees must be paid in full before records or progress reports will be processed. It is the sole discretion of the academy to withhold trimester exams, report cards, transcripts, records, and diplomas until all financial obligations are satisfied in full.

Section 15-Safe Environment

15.1 Child Lures Prevention Program

The Child Lures/Teen Lures Prevention programs are presented to the children and youth who attend each academy or parish school. This program is tailored to different age groups and covers topics such as staying healthy and safe, kindness and respect, trusted adults, my body belongs to me, child luring, choosing grown-ups to help, children are special, and abuse is never a child's fault (topics will vary based on age level appropriateness). For older students, topics include sexual assault, harassment, dating violence, bullying/cyberbullying, sexting, identity theft, online luring, suicide and human trafficking with the goal of facilitating authentic conversations to bring awareness to the topics.

Each program provides teachers with the resources to facilitate appropriate conversations. Parents/ legal guardians will also be provided with a link to access parent guides digitally to continue the conversations within their homes.

15.2 Alcohol and Drug Free Zone Policy

The New York City Tobacco Products Regulations Act of 1994 curtails exposure to tobacco use on school grounds. For the purpose of this legislation "school grounds" means the "buildings, grounds or facilities, or any part thereof, owned or occupied by public or private institutions for the primary purpose of providing educational instructions to students at or below the twelfth grade level." Tobacco use is not permitted on school grounds at any time. A "tobacco product" is any substance which contains tobacco including but not limited to cigarettes, cigars, pipe tobacco, and chewing tobacco. New York City regulations are far more stringent than the regulations promulgated by New York State. However, schools subject to the rules of this municipality, as are the schools of the Diocese of Brooklyn, must follow the local laws. Thus, smoking is prohibited on ALL SCHOOL PREMISES AT ANY TIME.

For the safety of our students, alcohol is also prohibited from being consumed on school premises at any time.

15.3 Signs of Suicide (SOS) Prevention Program

SOS Signs of Suicide (SOS) is a universal, school-based prevention program designed for middle school (ages 11-13) and high school (ages 13-17) students. The goals of this program are:

- Decrease suicide and suicide attempts by increasing student knowledge and adaptive attitudes about depression
- Encourage personal help-seeking and/or help-seeking on behalf of a friend
- Reduce the stigma of mental illness and acknowledge the importance of seeking help or treatment
- Engage parents and school staff as partners in prevention through “gatekeeper” education
- Encourage schools to develop community-based partnerships to support student mental health

Through a video and guided discussion, students learn to identify warning signs of suicide and depression. At the end of the session, students complete a seven-question screening for depression (anonymous or signed – the school can decide) to further encourage help-seeking and connect students at risk with trusted adults. The curriculum raises awareness about behavioral health and encourages students to ACT (Acknowledge, Care, Tell) when worried about themselves or their peers.

Section 16- COVID-19

**All health related policies and procedures have been adopted from the regulations published by the NYC Department of Education in partnership with the NYC Board of Health.*

16.1 Hygiene and Health Requirements

16.1a Face Coverings

Students are required to wear face coverings when in the school building and maintain appropriate social/physical distancing. Students should bring an appropriate face covering from home. The school will have surgical masks available for students as needed. Students’ cloth face coverings should be clearly identified with their names or initials, to avoid confusion or swapping. Students’ face coverings may also be labeled to indicate top/bottom and front/back. Non-disposable mask should be washed daily.

All visitors to the school for any reason will always be required to wear a face covering while on school grounds or in the school building. Faculty and Staff are also required to wear masks

All masks for faculty, staff, and students are subject to approval by the principal and Office of the Superintendent of Schools. Masks should be plain and free of any objectionable statements or support for any group, product, political view, and so on, other than the name of their Parish School or Catholic Academy.

Students will be provided opportunities for short breaks to remove masks throughout the day, while social distancing, in addition to removing them during outdoor times and while eating.

16.1b Social Distancing

Classrooms and other school areas will be set up to ensure social distancing between students. Students will also be required to maintain social distance when they are not at their desk. This is particularly important when students are not wearing face coverings such as while eating or during mask breaks.

16.2 Health Policies

If a student or staff members displays symptoms of COVID-19 during the school day, the following procedures will be followed:

- Each building will have a designated Isolation Room for students or staff who display symptoms
- A student showing symptoms of COVID-19 will be escorted to the Isolation Room by a staff member wearing appropriate personal protective equipment (PPE).
- The area where the student was showing symptoms will be immediately cleaned and disinfected.
- The student will be evaluated by the nurse/health professional in the Isolation Room.
- A family member or guardian will be contacted by a staff member and asked to pick up the student.
- Upon pick up, the nurse/health professional and school staff will strongly advise the family to visit a doctor and get the student tested for COVID-19
- Any student placed in the Isolation Room will be adequately supervised by a staff member during this time until the ill student can be picked up.

16.2a Health Screenings

Parents/ legal guardians will be asked to check student temperatures and screen students for symptoms prior to their arrival to school grounds. In the event that parents/ legal guardians are unable to do so, school staff members will be designated to complete health screenings. It is asked that all parents/ legal guardians are vigilant in temperature and symptom screenings for their children for the safety of other students as well as staff members. School staff will also perform random temperature screenings for both students and staff members using no-touch thermometers.

16.4 Returning to School after Showing Symptoms

Any individual (student or staff member) showing signs of COVID-19 can only return to school when the following conditions are met:

- Received a positive COVID-19 test AND
- Isolated for 10 days AND
- Presents clearance from a healthcare provider AND
- The individual has been symptom free for 24 hours without the use of medication.

OR

- Received a negative COVID-19 test AND

OR

If DOHMH or NYC Test & Trace Corps determine the individual is considered a close contact of a positive case, the individual can only return to school when all the following are met:

- The individual has completed a 14-day quarantine regardless of symptoms or COVID-19 test results since their last exposure to that case AND
- Presents clearance from a health care provider evaluation AND
- The student has been symptom free for 24 hours without the use of medication.
- Students in quarantine should participate in remote learning if feeling well enough.

16.5 School Closures

Academies and parish schools within the Diocese of Brooklyn will continue to work to provide in-person learning as long as it is safe to do so. Academies and parish schools will follow guidance from local Board of Health officials as well as directives from the City of New York to ensure student safety.

Per the New York City Department of Education “In order for schools to reopen and stay open, the percentage of positive tests in New York City must be less than 3% using a 7-day rolling average. Schools will need to close if the percentages of positive tests in New York City are equal to or more than 3% using a 7-day rolling average. It is important to note that the above threshold is just one trigger for closing schools but may not be the only trigger. For example, a decision to close schools would be made where there were recurrent, uncontrolled outbreaks of COVID-19 in schools, even if the overall case rates across New York City were to remain low.”

In the event of positive cases reported within the school community, the following procedures will be followed per NYC Test & Trace Corps and DOHMH Investigations:

Number of Cases	During Investigation (at least 24 hrs)	After Investigation
One confirmed case in a classroom	Close classroom with positive case, transition to remote learning	Classroom remains closed for 14 days; Students and staff in close contact with positive case quarantine for 14 days
At least two cases linked together in school, same classroom	Close classroom with positive cases, transition to remote learning	Classroom remains closed for 14 days; Students and staff in close contact with positive cases quarantine for 14 days

At least two cases linked together in school, different classrooms	Close school building, transition to remote learning	Classroom or each case remains closed for 14 days; Students and staff in close contact with positive cases quarantine for 14 days. Additional school members are quarantined based on where the exposure was in the school (e.g., the locker room)
At least two cases linked together by circumstances outside of school (e.g., acquired infection by different setting and source)	Close school building, transition to remote learning	School opens after investigation; Classrooms remain closed for 14 days
At least two cases, not linked but exposure confirmed for each outside of school setting	Close school building, transition to remote learning	School opens after investigation; Classrooms remain closed for 14 days
Link unable to be determined	Close school building, transition to remote learning	Close school for 14 days

16.6 Distance Learning

Distance learning that is facilitated by a Catholic Academy or Parish School within the Diocese of Brooklyn is bound by all parts of the Acceptable Use Policy. As distance learning requires the use of other mediums such as teleconferencing platforms, virtual classrooms, digital file transfer and online work, there are other factors that need to be addressed.

- **Device Usage** – The use of school/academy or personal devices for distance learning is allowed. It is recommended that all school/academy issued accounts only be used for schoolwork purposes and that those accounts are signed out of after work is completed. All usage is governed by this policy.
- **Video/Audio Conferencing** – Video or audio-conferencing platforms may be used to facilitate class meetings and communication between teachers and students for teaching and group work. When using these platforms, participants must remember to conduct themselves in a professional manner commensurate with behavior expected in a physical classroom. Entering meetings other than those you are explicitly invited to by the coordinator (teacher, principal, etc.) is strictly prohibited. Trying to circumvent the security of a meeting, “hijacking” a presentation or displaying any objectionable content during a meeting is a direct violation of this policy and subject to the disciplinary actions contained within. Recording of video/audio conferences is also prohibited.
- **File Transfer/Submission** – The transmittal of files may be required at times for teachers to provide and students to submit work. The willful transfer of objectionable material, malicious content or any other such transmissions is a violation of this policy.
- **Learning Platforms** – The use of learning platforms such as ThinkCentral, Learn360, Mathletics, Microsoft 365, Google Classroom and others is for the sole purpose of supporting and furthering the education of students. Any use of these platforms for any other reason may be considered a violation of this policy.
- Any use or misuse of the technology provided for distance learning that interferes with the education of students or the operations of the school/academy is a violation of this policy.
